Deep Emboss (DE)

Elegant embossing with imprinted glossy lacquering effects to enhance the visual and the touch senses of the surface.

Staining Warranty

(Stain resistance - according to test method EN 438-2,15)

Robina provides up to **25 years** of manufacturer warranty for floorboard which has visible stains on the surface due to the following household substances: acetone, hand cream, fruit and vegetable drinks, fats, coffee, cola drinks, nail lacquer or similar products.

Wear And Tear Warranty

(Abrasion resistance - according to test method EN 438-2,6)

Robina provides up to **25 years** of manufacturer warranty if floorboard surface is worn off in an area of at least one square centimetre on one panel.

Robina | Surface

Robina | Direct manufacturer warranty

Silky Gloss (SG)

This innovative surface texture is to induce the combination of matt and gloss finishes simultaneously, exuding the best rustic and exotic features of the decor.

Termite Warranty

Robina provides up to 10 years manufacturer warranty for floorboards which are deemed structural unfit by termite attack.

Fading Warranty

(Light fastness - according to test method EN 20105 B02 and EN 20105 A02)

Robina provides up to **25 years** of manufacturer warranty for decor layer which has faded due to household lighting.

Terms and Conditions apply

The limited warranty only applies within the warranty period with the affected flooring area greater than one square centimetre on one panel. Proof of purchase attached with date of purchase must be presented to make a claim. The company reserves the right to inspect all reported defective products by the company authorized personnel before recognizing any claims. The company will replace the defective floorboard only at no charge; any others related materials and installation costs are excluded in the warranty.
