

LVT CLICK

ADVANCED PUR COATING

Advanced Polyurethane Reinforced Coating enhances the product's stain resistance.

0.5 MM WEAR LAYER

0.5 mm transparent wear layer provides excellent resistance to abrasions.

DECORATIVE LAYER

High resolution printed film delivers vivid effects in realistic and natural appearance.

MIDDLE LAYERS

Polymer vinyl layers firmly reinforces the panel, ensuring that the flooring is not easily deformed.

FIBERGLASS LAYER

Fiberglass materials enhances the product strength and its impact resistance.

BOTTOM LAYER

Polymer vinyl layer that provides a stable and durable water resistant base.

LVT CLICK ADVANTAGES

ELEGANT COMFORTExperience a softer

feel which offers an enhanced and comfortable step.

STABILITY REDEFINED

Flexible vinyl material ensures a consistent and firm flooring without hollow or floating feeling.

EFFORTLESS INSTALLATION

Simplify installation with our DIY-friendly locking system.

SPLASH-PROOF PERFORMANCE

EraFlor LVT is ideal for spill-prone spaces such as kitchens.
